

Question 5 Topics not covered that should have been

| Topics Raised by Attendees | Number of Comments on Topic |
|---|------------------------------------|
| Cross-jurisdictional issues | 2 |
| Planning integration (e.g., local plan review, integrating PS and NPS work on TMDLs, WRASs, public participation) | 4 |
| Process issues (e.g., schedule for implementation, info on TMDL development and implementation, data required, public participation and acceptance) | 4 |
| Integration of creative design ideas & BMP implementation/how to deal with unreceptive local governments | 1 |
| Resources/state assistance | 2 |
| MS4 Permits, and permit implications in general | 2 |
| Environmental Litigation Action | 1 |
| Implications of non-compliance with TMDLs | 1 |

Question 6 Topics for Future Events

| Topics Raised by Attendees | Number of Comments on Topic |
|---|------------------------------------|
| Tracking standardization, improved coordination (i.e., jurisdictional compliance) | 4 |
| ENR/SSOs | 1/1 |
| NPDES permits – MS4s potential impacts of numerical limits | 1 |
| Innovative on-site treatments systems | 1 |
| BMP's (efficiency studies, installers and cost comparisons, quantified reduction rates) | 1 |
| Agricultural Issues | 2 |
| Land use planning and TMDLs | 3 |
| Cap maintenance | 1 |
| Gaining public acceptance of TMDLs | 1 |
| Interim Guidance Document Workshop | 1 |

Question 7 Was the Workshop what you expected? N= 33

| | |
|---------------------------------|----|
| Exceed expectations | 2 |
| Met expectations | 20 |
| Did not meet expectations | 2 |
| Almost/sort of met expectations | 5 |
| No response | 4 |

Additional Comments

Facility – 3 negative and 1 positive (Negatives - A/C issue and non-use of tables and chairs)

Provide handouts of presentations – 2 requests

Request to post presentations to web

Good workshop, long overdue – 2 comments

Eliminate audience Q&A

Too technical, need more TMDL 101 info – 2 comments vs. Presentations too general – 1 comment

Lack of recycling an issue

Great mix of speakers

Provide more speaker background information
